Notes:

(1) Vehicle must display a valid NJDEP decal and be automatically unloading; otherwise waste type 13CL rate applies. Volumetric discounts may apply (see note 4).

(2) The rate for Waste type 10 billed to any Camden County governmental entity shall be equal to the then current disposal fee (inclusive of all applicable taxes and surcharges) established by the Camden County Division of Purchasing under the Camden County Cooperative Pricing System.

(3) Base rate is \$102/ton. Taxes and host benefit equal \$6.63/ton.

(4) Monthly Volumetric Discounts for C&D Waste (13C) [may be mixed with Vegetative Waste (23)] disposal, effective March 2016.

Volume	Rate per ton
Base Rate	\$79.00
Single load over 6 tons	\$77.00
Monthly total over 650 tons	\$76.00
Monthly total over 850 tons	\$75.00

The following conditions must be met in order to qualify for the volumetric discount:

1. Account must be in good standing during the entire month; no lockouts, late payments, etc.
2. Vehicles must display valid NJDEP decals.
3. Vehicles must be automatically unloading and must tip loads on the working face of the Landfill (rates do not apply to vehicles unloaded by hand or to wastes unloaded at the laydown area).
4. Loads must be exclusively ID 13C (small quantities of ID 23 may be mixed in); loads of other waste types or other mixed types will not receive the discount.
