

# SOLID WASTE DISPOSAL RATES PENNSAUKEN SANITARY LANDFILL

current as of August 1, 2018

Waste Type		Rate Per Ton	
		Delivered to working face (notes 1 & 4)	Delivered to Convenience Center (note 3)
<b>10</b>	<b>Municipal (household, commercial, institutional)</b>	\$84.00 (note 2)	add \$30.00 / ton
<b>10</b>	<b>Street Sweepings</b> <i>PCFACC billing code 10S (no convenience center acceptance)</i>	\$44.95	<i>use billing code 10</i>
<b>13</b>	<b>Bulky Waste</b>	\$84.00	add \$30.00 / ton
<b>13C</b>	<b>C &amp; D Waste</b>	\$84.00	add \$30.00 / ton
<b>23</b>	<b>Vegetative Waste &amp; Municipal Compost Residuals</b>	\$84.00	add \$30.00 / ton
<b>25</b>	<b>Animal &amp; Food Processing Waste</b>	\$84.00	add \$30.00 / ton
<b>27</b>	<b>Dry Industrial</b>	\$84.00	add \$30.00 / ton

Notes:

(1) Vehicle must display a valid NJDEP decal and be automatically unloading; otherwise waste must be delivered to convenience center and additional charge applies. Volumetric discounts may apply (see note 4).

(2) The rate for Waste type 10 billed to any Camden County governmental entity shall be equal to the then current disposal fee (inclusive of all applicable taxes and surcharges) established by the Camden County Division of Purchasing under the Camden County Cooperative Pricing System.

(3) or requires special handling at working face

(4) Monthly Volumetric Discounts:

Volume	Rate per ton
Base Rate	\$84.00
Single load over 6 tons	\$77.00
Monthly total over 650 tons	\$76.00
Monthly total over 850 tons	\$75.00

The following conditions must be met in order to qualify for the volumetric discount:

- a. Account must be in good standing during the entire month; no lockouts, late payments, etc.
- b. Vehicles must display valid NJDEP decals.
- c. Vehicles must be automatically unloading and must tip loads on the working face of the Landfill (rates do not apply to vehicles unloaded by hand or to wastes unloaded at the convenience center).
